Dear Colleague,

Greetings from BKMEA!

This is to inform you that the industry members of the RSC board in discussion with the RSC have decided to reduce the annual subscription fee of the RMG Sustainability Council (RSC) by a flat 25%.

BKMEA Board believes that this initiative will offer meaningful financial relief to the Hon'ble Members, while simultaneously ensuring the continuation of ongoing efforts to uphold workplace safety standards and promote long-term sustainability across the industry.

This reduction will be effective immediately and will apply to the upcoming billing cycle for the year 2026.

Thanking you,
